

3 MAY 2024

suspension of TURKISH SERVICE

Dear Business Partners in Israel,

It's well known that on 2 May 2024, Republic of Turkiye – Ministry of Trade announced that all trade between Turkiye and Israel would be suspended with immediate effect.

This decision will stop below listed shipments with immediate effect:

- **All Exports from Turkiye to Israel**
- **All Imports from Israel to Turkiye**
- **All Transshipment from/to Israel via Turkiye**
- **All Import/Export of Empty Containers from/to Israel to/from Turkiye**

Therefore, we suspended our TIX – Turkiye-Israel Express Service with immediate effect as of today until further notice.

To avoid any misunderstanding, our rest below listed direct services calling Israeli Ports would continue without any interruption:

EBX – Israel-Egypt-Russia Service covering Ashdod, Alexandria and Novorossiysk

AEX – Israel-Egypt-Adriatic Service covering Ashdod, Alexandria, Koper and Venice

GEX – Israel-Greece Service covering Piraeus and Ashdod

Please feel free to contact us if you may need any further information.

Yours sincerely,

www.acolines.com
