# Peak Season Surcharge - Trade from Far East to Mediterranean (inc. Adriatic), Black Sea and North Africa

24/05/2025

Due to strong demand on the trade from Far East to Mediterranean (including Adriatic), Black Sea and North Africa, MSC Mediterranean Shipping Company will apply a Peak Season Surcharge (PSS) to all cargo and commodities including reefers and special equipment.

As from **07 June 2025** (Proforma sailing Date) until further notice, the PSS will be charged at:

- **USD 550 / TEU**, for all types of containers

Any other elements of the price, as indicated in the last EU Price Announcements for the relevant trades published on [msc.com](https://www.msc.com), still apply and remain unchanged.
